

# HP Vision Etch CP

Premium polymeric translucent matte window vinyl

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## Printable etched decorative window adhesive vinyl

### Create decorative window graphics

Create decorative window graphics with HP Vision Etch CP, a translucent, matte calendared adhesive vinyl for clean, dry window surfaces. This printable film provides an etched, engraved effect on windows.

### Help gain efficiency while providing outstanding colour fidelity

Help save time and gain efficiency with ICC profiles that help you quickly get the colour you need—ideal for a wide range of window décor applications.

### Help save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time.
